

# MADDEN 20 Tournament Rules

## REGISTRATION INSTRUCTIONS

- All registration will be done through Fusion IM.
- The Tournament is Open, so there are no gender restrictions.
- Your team name should be the Gamer Tag/ID that you use on your console so that competitors are able to send a friend request in order to compete against you online. You will need access to PlayStation Plus or Xbox Live to participate.

## REGULAR SEASON SCHEDULING

Each player will be required to play a minimum of 3 games during the regular season in order to qualify for the playoffs. Each player will be given a master entry list for the purpose of setting up matchups. Players are responsible for arranging their own games. There is no limit to the amount of times two opponents may play each other during the regular season.

## SUBMITTING SCORES

Upon completion of each game, both players must e-mail the result to [intramurals@virginia.edu](mailto:intramurals@virginia.edu). A screenshot of the final result is preferred.

## PLAYOFF SCHEDULING

Regular season standings will be used to seed the playoff bracket. The playoff will be constructed as a single-elimination bracket. The bracket will be posted on Fusion IM, and each game will have a “play-by” date and time to be completed by. If one team is unable to complete a game by the “play-by” designation, the opponent will advance to the next round. If neither team is able to complete a game by the “play-by” designation, then both teams will be eliminated.

## SPORTSMANSHIP

All players are expected to exhibit exceptional sportsmanship throughout the tournament. Offensive language including, but not limited to, profanity, racial or ethnic slurs, or intimidation directed toward opponents or administrators will not be tolerated and will result in removal from competition, and may result in further disciplinary action. If a player experiences unsportsmanlike behavior, you must report it to [intramurals@virginia.edu](mailto:intramurals@virginia.edu).

## THE GAME

All games must be played using MADDEN 20. The competitor with the most points at the end of regulation wins the game. If the score is tied at the end of regulation, the game will continue following default extra time settings.

## GAME SETTINGS

- Games will consist of 5-minute quarters.
- Controls may be set to any configuration.
- All game settings are default.
- Game Skill Setting is All-Pro.
